**TRA@FirthcliffeEstate.co.uk**

After a recent estate walk around involving **ANDY ROSS** Kirklees neighbourhood housing area housing manager, **COUNCILLOR DEREK YATES** and members of **FIRTHCLIFFE ESTATE TENANTS AND RESIDENTS ASSOCIATION** it was noted that there are a number of areas on the estate that need attention .

We as a **T R A** have asked KNH to set out an estate plan to tackle these issues, this has been agreed and will be developed over the next few weeks. Some areas to be covered are;

**ROADS, FOOTPATHS, FENCES, GATES,  
DRAINS and STREET LIGHTING**

throughout the whole estate.

**But Your Help is Needed.**

## ESTATE CLEAN UP

As a start to this action plan we are going to clean up the bottom field, this will involve clearing all debris from edges then cutting back overgrown grass/weeds.

KIRKLEES LEISURE SERVICES, who own this field, are to provide some equipment to help us do this, all we need now is the man-power, this is where you come in, Pop along on **SUNDAY 5<sup>TH</sup> OF SEPTEMBER from 10am** and show the council that you really do care about our estate.

Only with **YOUR** help  
can we make these  
things happen, so  
please even if its only  
for an hour turn up, it  
will make a difference.

**Keep Britain Tidy**
